MathPlus® at Hockessin Center Hours and Policy

- The Center closes one weekend a month, i.e., 12 weekends a year. Students will receive two weeks' worksheets the week prior to the closing.
- MathPlus at Hockessin holds 3 sessions each weekend. Each student can come to ONE of the 3 sessions at his/her choosing each week. We recommend students stay no more than 2 hours each time. Students are free to come for an additional session if she/he misses a weekend due to conflict, illness, or center closing.
